What is a MEMORY CAFÉ ?

Simply put, a **MEMORY CAFÉ** is a group where those experiencing memory loss, as well as their caregivers and family members, can find relaxation, fun and support of other people who are having similar experiences.

We will be offering many different events to enjoy. Entertainment, games, crafts, music and movement, are a few of the activities.

Coffee and refreshments will be served. We look forward to serving our community and surrounding areas with our new, innovative **MEMORY CAFÉ**.

Please RSVP Susan Adams, Program Director 508-946-2490 ext.1426

Let's have some fun and meet new people...

Please note:

Those attending our **MEMORY CAFÉ** will need to be accompanied by a caregiver/family member.
